

Reopening Details for June 28th (Phase 1)

- Campus is reopening on Sunday, June 28th for 11:00am service only.
- Service will be abbreviated and last about 45 minutes.
- We will not have childcare available for the first few weeks of reopening, but we welcome your entire family to come! We will have printed activities available for our children.
- When you arrive at church, please use the front entrance only.
- Volunteers will be wearing masks and spraying hand sanitizer.
- Masks are not provided, but you are welcome to bring and wear your own.
- When entering church, please wait in line at a six foot distance using the markers on the ground.
- Once you enter, walk to the further-est available pew. Pews are taped off and X's are placed in areas where seating is not allowed.
- During Service, we *will* continue to have a *Meet and Greet* time, however we will not hugging or shaking hands. We will have different "non-contact" ways to greet each other every week!
- You will also notice that bulletins are not passed out and the pew backs are empty to decrease the amount of contact and spread.
- To give your tithes and offerings, we ask that you use the Offering Box at either door to give your offerings as you enter or leave the building. Offering plates will not be passed during service.
- You can continue to give your tithes and offerings online or mail in a check.
- Restrooms are open and available if you need them. We ask that you use the restroom at home, however if you need to use the restroom at church, we are limiting the bathroom to 2 people at a time.
- When leaving service, we ask that you exit the building by rows while still keeping a 6 foot distance. Both the front and back doors will be open for exiting.
